

**Ford**Galaxy

Feel the difference

# 0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

The space to live. The freedom to move. Practicality and beauty effortlessly merged. Ford Galaxy's sleek styling is a visual expression of its car-like handling and our new design language. We call it energy in motion.

Your space. Your driving experience. The new Ford Galaxy puts you in touch with the space around you, while its high driving position gives you a commanding view of what's ahead.

**Leave nothing behind**

A place for everything and everything in its place with Ford Galaxy's innovative stowage solutions.

**Power-fold door mirrors**

Door mirrors can be retracted automatically out of harm's way when parked. Equally useful when squeezing through tight spaces. (Option; not available on Edge)

Wherever you travel and whoever you take with you, you will value the extra space and versatility that the Ford Galaxy offers.

**Innovative space**

**Centre overhead console**

With centre overhead stowage you can even make use of the space above you. (Standard on Ghia; available as part of optional Panorama Roof on Edge and Zetec)

**Facia-top stowage**

Convenient compartment complete with lid in the centre of the instrument panel is ideal for keeping small items close at hand.

**Rear compartment air conditioning**

In addition to the standard B-pillar rear seat ventilation, carefully positioned ducts and a separate compressor provide extra cooling capacity for second and third row passengers. (Standard on Ghia)

**Underseat stowage**

Valuable items can be tucked away out of sight, thanks to the clever stowage beneath the driver's and front passenger's seat. Standard on Ghia; option on Zetec as part of the Traveller Pack. Driver's underseat stowage not available with navigation systems with external 6CD or MultiMedia DVD system. Front passenger's underseat stowage not available with MultiMedia DVD system.

**Rear lights**

Attention to detail is clear from the distinctive rear lights with their jewel-like design.

**Bi-xenon AFS headlights**

Ford Galaxy's bi-xenon Adaptive Front lighting System (AFS) swivels the headlights as the car negotiates the bends, while shining brighter and projecting a far longer beam of light than conventional headlights. More than twice as powerful as halogen headlights, but using only two thirds of the energy. Also includes static cornering lights and headlight washers. (Option)

Smooth and graceful, yet dynamic and responsive. The Ford Galaxy offers refined and efficient engines that bring every inch of its space to life.

**Dynamic space**

**6-speed Durashift automatic transmission**

This advanced automatic transmission includes a 'Sportsmode', allowing gears to be manually selected for a more involved driving experience. (Option)

**Interactive Vehicle Dynamic Control (IVDC) with continuously controlled damping**

Ford Galaxy's Interactive Vehicle Dynamic Control (IVDC) with Continuously Controlled Damping (CCD) delivers notable improvements to handling, stability and braking performance. Each damper is adjusted five times per second to guarantee the best possible interaction between occupant comfort and road contact. You can also select the suspension setting of your choice, switching between sport, normal, and comfort mode as the mood takes you. (Option)

**Adaptive Front lighting System (AFS)**

The halogen Adaptive Front lighting System (AFS) adjusts the headlights automatically and swivels into turns to better illuminate where you are heading, for safer and more enjoyable night driving. Static cornering lights provide extra light for sharp bends and junctions. (Option)

**Tyre Pressure Monitoring System**

Monitors tyre pressure while on the move. System alerts you automatically if a tyre's pressure is too low, such as in the case of a puncture. (Option; also included with optional run-flat tyres)

**Auto Hazard Warning Lights**

The turn indicators automatically turn on under heavy braking as a warning to following drivers.

#### Safety without compromise

You don't take chances when it comes to your family's safety. Neither does the Ford Galaxy.

#### Driver's knee airbag

The driver's knee bolster airbag helps prevent injuries through contact with the steering column.

We want you to feel secure in your space. So we've introduced the world-class Ford Intelligent Protection System (IPS) to make sure you're protected wherever you choose to venture.

#### Protective space

#### Intelligent Protection System

Should there be any unwelcome surprises, Ford Galaxy's Intelligent Protection System (IPS) is ready to respond in an instant. A comprehensive airbag system includes driver's and front passenger's airbags\*, side airbags, full length (first, second and third row) curtain airbags and an innovative driver's knee bolster airbag.

Three-point seat belt pre-tensioners work in harmony with the airbag system, while a steel safety cage, side impact door beams and collapsible steering column and pedals deliver the ultimate protection in the event of an impact. For your little travellers, Ford Galaxy comes with ISOFIX child seat attachments. These are located on the two outer seats of the second row.

The Ford Galaxy builds on Ford's established reputation for safety and security, recording a maximum '5-star' Adult Occupant Rating in Euro NCAP crash tests and '4-star' Child Occupant Rating.

#### Electronic Stability Programme (ESP)

To help keep you on the right track, Ford Galaxy features ESP with Traction Assist and Emergency Brake Assist (EBA). Emergency Brake Assist (EBA) prepares the brakes to facilitate full braking performance by increasing pressure within the brake system.

#### Adaptive Cruise Control (ACC) with Forward Alert (FA)

Lets you set the pace and the minimum distance to the vehicle ahead of you – and automatically adjusts your speed if the car in front is travelling at a slower speed. Once the road is clear again, the system automatically accelerates back to the set cruising speed. Forward Alert (FA) offers an audible and visual warning when there's a risk of colliding with the vehicle in front.

#### Hill Launch Assist

After releasing the brake pedal when stationary, the system keeps the brakes applied for a while, leaving you enough time to move your foot from the brake pedal to the accelerator without the car rolling backwards. Included as part of the Adaptive Cruise Control (ACC) or Interactive Vehicle Dynamics Control (IVDC) options.

\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the second row seats.

**Welcome aboard**

Ford Galaxy's light and open atmosphere can be further illuminated by the brilliant glass panorama roof. (Option)

**Memory function**

Premium quality leather seat trim (option). Driver and front passenger's 8-way power adjustable seats are available together as part of the Seat Pack (option) - featuring a memory function for driver's seat with four programmable settings and automatic dipping of the door mirrors when reverse gear is engaged.

Seven full-sized seats and room left over for your luggage. Whether you have a big family, big luggage or just a big passion for space, the Ford Galaxy gives every trip a fresh dimension - even with the seven full-sized seats in use.

**Versatile space**

**Electric Parking Brake (EPB)**

The stylish EPB delivers superb comfort and convenience. To engage and disengage the handbrake takes a simple touch of a button. It will even disengage automatically if you choose, making pulling away on a steep slope simplicity itself. (Option)

**Ford Fold Flat System (FFS)**

For the ultimate in flexible space, each individual rear seat can fold flat without the need for it to be removed - and tabs with magnetic fixings cover the gap between the second and third row of seats, making the load area even easier to use. You can choose from any of 32 different seating combinations to suit your passengers and luggage.

**Individual sliding seats**

Each seat features fore and aft adjustment, plus an adjustable backrest for enhanced comfort and luxurious personal space.

# Edge

Spacious, comfortable surroundings and handsome styling.

Start with the Ford Galaxy Edge for an appealing combination of space, comfort and superb driving dynamics.

**Key features include:**

- 16" steel wheels with wheelcovers
- Advanced Bluetooth® Hands-Free and Voice Control System
- Air conditioning
- Power-operated and heated door mirrors
- Power-operated front windows
- Stereo CD/radio
- Steering wheel toggle controls
- Electronic Stability Programme (ESP)
- Quickclear heated front windscreen
- Front fog lights
- Remote control central locking
- 7 individual seats with Ford FoldFlatSystem (FFS)
- Integrated C-channels for secure installation of roof transportation systems
- Privacy glass

For full details, please see specifications section at the back of the brochure.

**Front fog lights**  
Cut through the gloom.

**Bluetooth® connectivity**  
Make and receive hands-free calls with your compatible mobile phone (mobile phone not included).

**Trip computer**  
Average and instantaneous fuel consumption readings.

**B-pillar vents**  
Provide independent air ventilation for rear seat passengers.

**Quickclear heated windscreen**  
Clears ice and mist in moments.

**Heated door mirrors**  
Provide rapid demisting in cold or damp conditions.

# Zetec

Elegant, spacious and superbly equipped, the Ford Galaxy Zetec is in a class of its own.  
 Model shown below features Sony CD with DAB audio system. (Option)  
 Model shown below features cruise control. (Option)

Dynamic to look at and sensational to drive, the Ford Galaxy Zetec is a truly compelling choice.

**Additional to Edge:**

- 16" alloy wheels
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Driver's seat power height adjustment with manual adjustable lumbar support
- Power-operated front and rear windows with global opening/closing
- 'Park Assist' - front and rear sensors
- Thatcham Category 1 Alarm
- Leather-trimmed steering wheel and gear knob

For full details, please see specifications section at the back of the brochure.

**Alloy wheels**  
 Elegant and sporty 16" 5-spoke alloy wheels.

**Front fog lights**  
 Enhance visibility in poor driving conditions.

**Power front and rear windows**  
 Electrically-operated windows with one-touch lowering/closing on the driver's side.

**Dual-zone Electronic Automatic Temperature Control (DEATC)**  
 Can be adjusted separately for the driver and front passenger, with up to 4°C variation from side to side. Standard on Ghia and Zetec; option on Edge.

**Leather steering wheel**  
 Adds a touch of luxury to your journey.

**Lumbar support**  
 Provides the driver with first-class comfort.

For classic luxury and style on the move, there is only one Ford Galaxy Ghia.

# Ghia

Refined luxury and exclusive features come together beautifully in the Ford Galaxy Ghia; the embodiment of driving quality and good taste.

**Additional to Zetec:**

- 17" 10-spoke alloy wheels
- Cruise control
- Automatic headlights
- Autowipers, with rain sensor
- Solar Reflect Windscreen
- Rear compartment air conditioning
- Full-length overhead console, including child observation mirror
- Power-operated and heated door mirrors with side turn indicators and puddle lights
- Auto-dimming rear-view mirror
- Leather-trimmed handbrake grip
- Sony CD with DAB audio system
- Chrome-finish door handle inserts, upper doorline strip and front scuff plates

For full details, please see specifications section at the back of the brochure.

**Cruise control**  
Set your speed, relax and enjoy the drive.

**Ambient lighting**  
Bathes the gearshift and centre console in a subtle red glow.

**Solar Reflect Windscreen**  
Reflects solar rays to help keep the interior cooler.

**Rear compartment air conditioning**  
Provides optimum ventilation for all three rows of passengers.

**Alloy wheels**  
17" 10-spoke alloy wheels combine great looks and enhanced driving dynamics.

**Instrument panel**  
Clear, enlarged display conveys information at a glance.

  - 2.0 Duratorq TDCi (140 PS)
  - 2.2 Duratorq TDCi (175 PS)

## The range

**Leather trim**

Unique leather seats with two-tone leather and a mix of different textures are available in either Tan or Light Beige.

**Please note:** hinged armrest and stowage (shown below) not available

Elegant stainless steel scuff plates, with an engraved 'Individual' script, help to protect the paintwork and make entering your Ford Galaxy an even more rewarding experience.

**Scuff plates**

You're looking for something a little different. To distinguish yourself from others. That's why our designers have created the unique Ford Galaxy Individual Interior Styling Pack that lets you create a space you can truly call your own. With its premium quality full leather, exquisite details and high level of craftsmanship, it sets a new benchmark in its class. Available in two attractive and distinctive colour schemes, each one forms an interior that's as rewarding to the touch as it is to the eye.

**Ford Galaxy Individual**

**Ford Individual Interior Pack**  
(Available for Ford Galaxy Ghia only\*)

- Unique premium leather seats with Ford Individual script (first and second rows). Offered in two versions, Tan or Light Beige, with coordinating leather door panel inserts, armrest and gearshift gaiter
- Unique luxury velour floor mats with colour-coordinated surround
- Unique stainless steel scuff plates with Ford Individual script
- Alloy pedal cover set
- Heated front seats
- 8-way power-operated driver's and front passenger's seats
- Memory function for driver's seat and door mirrors

\*Not available with climate seats, Ghia X Pack, or Ghia X Plus Pack.

**Information and Entertainment**

Entertainment, information or route guidance, Ford Galaxy leads the way.

**MultiMedia DVD system (image on right)**

Ford Galaxy's in-car entertainment features a built-in DVD player with two independently-operated 7" screens and two wireless headphones. So even your more demanding passengers can enjoy their own personal space with movies and computer games. (Option)

Travel where you want and how you want. But never give up your home comforts.

**Entertainment space**

**Advanced navigation system with USB/MP3/iPod® connectivity port**

The Advanced navigation system with USB/MP3/iPod® connectivity port features a 5" full-colour display with colour map and turn-by-turn instructions to your destination. Includes SD memory card slot for data exchange or map data. (Option)

**Sony CD with DAB audio system**

The Sony CD with DAB audio system delivers hours of unbroken, crystal-clear sound. Sony audio systems also offer MP3 playback capability and comes with 10 premium speakers. (Image shown right features a Sony 6CD with DAB audio system that is not available; only Sony CD with DAB audio system is standard on Ghia and an option on Zetec and Edge)

**Bluetooth® Hands-Free with Voice Control**

Bluetooth® wireless technology enables you to make hands-free calls, while the Voice Control technology lets you control your Bluetooth® compatible mobile phone (mobile phone not included), audio, DVD navigation\* and climate control (DEATC\*) systems with the sound of your voice. (Please see your Ford Dealer for phone compatibility or visit [www.ford.co.uk](http://www.ford.co.uk))

\* where specified

**DVD navigation system with USB/MP3/iPod® connectivity port (also image on right)**

This state-of-the-art system uses a 7" colour touchscreen, which allows simple navigation within the menus or control of the Dual-zone Electronic Automatic Temperature Control (DEATC), CD, radio and Bluetooth® enabled mobile phone (mobile phone not included) functionality. Includes 10 premium speakers, Traffic Message Channel (TMC), and USB/MP3/iPod® connectivity port. (Option; not available on Edge)

**USB/MP3/iPod® connectivity port**

Built-in connectivity for your iPod®, MP3 player, or USB stick. Lets you listen to, and operate, your player via the car's audio system (Option). A dedicated connector cable (Part no. 1529487) is available as an accessory for operating most iPods® and MP3 players.

iPod is a trademark of Apple Corporation

**Mobile Navigation (not shown)**

Turn your Bluetooth®-enabled mobile smart-phone (mobile phone not included) into a navigation unit. Simply enter your journey details and the phone will transmit route guidance via the car's audio system. Comprises memory card, wireless GPS module and connectivity box. (Option. Please see your Ford Dealer for phone compatibility)

**The striking 17" 10-spoke alloy wheel**

Standard on Ghia or optional with run-flat tyres on Zetec and Edge

**Standard** = Standard on your vehicle.

**Option** = Can be ordered only together with your new vehicle.

**Accessory** = Available from your Ford Dealer.

Each distinctive wheel enhances Ford Galaxy's sleek design.

## Wheels

16" 7x2-spoke wheel cover (Standard on Edge)

16" 5-spoke alloy wheel. Standard on Zetec.

17" 5-spoke machined finish alloy wheel. Available as an option or accessory. Also available as an accessory in silver painted finish.

17" 9-spoke alloy wheel. (accessory, Part no. 1386878)

17" 10-spoke machined alloy wheel (Standard on Ghia). Also available with runflat tyres (Option)

Ford Individual 17" 5-spoke Mystique Silver painted alloy wheel (accessory, Part no. 1553726)

Ford Individual 18" 5-spoke Mystique Silver painted alloy wheel (accessory, Part no. 1553727)

18" Y-spoke alloy wheel. Available as a single option on Ghia and as part of the optional Ghia X Plus Pack and as an accessory (Part no. 1440631).

**Activity Kit**

Using a series of aluminium bars and special attachments that can be fitted in the rear, this innovative kit allows items to be securely locked in place. From bikes and scuba gear to coolboxes and skis, the only limit is your imagination. (Option and Accessory)

**Thule roof box**

A wide range of different sized boxes protect your luggage from weather and theft (Accessory). Shown in conjunction with sliding crossbars. (Option and Accessory)

Your Ford Galaxy will soon become your individual space for family transport and leisure. Use the wide range of accessories to personalise your car.

**Personalise**

**Dog guard system**

Robust, full-height dog guard system keeps dogs or items of luggage safely away from the passengers. Two versions available (one version is fixed behind the front seats and the other version is fixed behind the second row of seats). Meets European ECE-R17 safety requirements. (Option and accessory)

**Load protection net**

This durable retention net keeps your items secure in the luggage compartment while you're on the move. Meets ECE-R17 safety requirements. (Option and accessory)

**Ford Boutique Samsonite suitcases**

Set of three Samsonite suitcases for you and your family. (Accessory, Order code F06-12-32, F08-12-53/54)

**Thule XTENDER ski/snowboard carrier**

Innovative, fully-lockable ski carrier suitable for up to six pairs of skis or four snowboards. Comfortable slide-out function for easy access to your ski equipment. (Accessory)

**ClimAir® wind deflector**

Reduces turbulence and noise, allowing you a more enjoyable drive with the front windows down, even when it's raining. (Accessory)

**1. Sliding crossbars**

The basis for different transport requirements. When not in use, they can be easily moved to the rear to add to the stylish appearance of your car. (Option and accessory)

**2. Contoured mudflaps**

Available as sets for front and rear, these practical, hard-wearing mudflaps protect the bodywork from stone chips, and help keep your Ford Galaxy clean by reducing road spray. (Accessory)

**3. Britax Römer child seat**

Provides optimum all-round protection and comfort. A full range of seats, including ISOfix, is available for all ages. Removable and washable cover. (Accessory)

**4. Premium velour carpet floor mats**

Luxurious mats made to complement your chosen interior. Driver's mat is fixed to prevent slippage. (Accessory)

**5. Scuff plates with Galaxy script**

Polished stainless steel scuff plates look great and protect your vehicle. (Accessory)

**6. Retractable tow bar**

Ford Galaxy's sturdy tow bar is there when you need it, but can be tucked away out of sight for uncompromised styling and easier access to the loadspace.

Release it at the touch of a button, then retract it with a swift and easy action. (Option and accessory)

**Ford Boutique storage box**

This portable storage box is perfect for toys, shopping or anything else you need to keep from moving around the cabin whilst driving. (Accessory, Order code F06-12-31)

**Foldable storage box**

Ford Galaxy is an extremely spacious vehicle – and you can increase its flexibility even further with this purpose-designed storage solution. (Accessory)

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

**Making a difference**

On Ford Mondeo, Ford S-MAX and Ford Galaxy, our optional Flexifuel engine, fuelled by E85, is achieving emission reductions of around 30% to 80%\*\* compared to conventional petrol engines. E85 is a mixture of 85% plant-derived ethanol and 15% petrol, but these models can run on any mixture of the two – even 100% petrol.

New low emission diesel EConetic derivatives are now available. Ford Fiesta EConetic delivers more than 76.3 mpg, emitting just 98 g/km of CO<sub>2</sub>. Ford Focus EConetic delivers more than 74 mpg, emitting just 99 g/km of CO<sub>2</sub> and Ford Mondeo EConetic delivers more than 54 mpg, emitting 139 g/km of CO<sub>2</sub>.

**Protecting the future**

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development\*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO<sub>2</sub> emissions.

**Improving our manufacturing facilities**

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

**Recycling for good**

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

\*For more about this topic, see [www.ford.com/go/sustainability](http://www.ford.com/go/sustainability)  
 \*\*Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.)  
 Ford supports the sustainable production of biofuels.

**Ford Credit**

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide? **Ford Options** offers increased flexibility if you want to change your car more often; **Ford Acquire** is ideal for private and business users who want a more straightforward financing plan; **Ford Business Partner Contract Hire\*** provides an affordable, convenient and flexible way to finance your business vehicle; and **Ford Insure\*\*** is our comprehensive motor insurance product, designed specifically for Ford drivers.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

\*Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathside Park, Heathside Park Road, Stockport SK3 0RB.

\*\*Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls will be recorded and may be monitored.

**Services**

**Ford Protect**

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

**Ford Service**

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

**Ford Accident Repair Centres**

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

**Contacts**

**Ford Customer Relationship Centre**

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

**Ford Rental – local service nationwide**

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

**Ford Mobility**

Our MAGIC care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients. Call free on 0800 240 241.

Programme for the Endorsement of Forest Certification schemes

1.8 Duratorq TDCi (125 PS), Durashift 6-speed manual	Stage IV	Edge, Zetec, Ghia	166	8.0 (35.3)	5.3 (53.3)	6.3 (44.8)	116	11.3	10.7
2.0 Duratorq TDCi (140 PS), Durashift 6-speed automatic	Stage IV	Edge, Zetec, Ghia	189	9.7 (29.1)	5.7 (49.6)	7.2 (39.2)	118	11.4	n/a
2.0 Duratorq TDCi (140 PS), Durashift 6-speed manual	Stage IV	Edge, Zetec, Ghia	159	7.7 (36.7)	5.0 (56.5)	6.0 (47.1)	120	10.0	9.6
2.2 Duratorq TDCi (175 PS), Durashift 6-speed manual	Stage IV	Ghia	179	9.1 (31.0)	5.3 (53.3)	6.7 (42.2)	129	9.1	7.6

<sup>°</sup>In 4th gear. <sup>°°</sup>Ford test figures. <sup>°°°</sup>All CO<sub>2</sub> emissions figures in g/km and fuel consumption figures in L/100 km are from officially approved tests in accordance with 80/1268/EEC as amended. The CO<sub>2</sub> emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the fuel consumption of a car of the class in question (see back cover). All the figures are based on tests conducted on vehicles with Edge equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Urban** An engine started from cold in laboratory conditions operated at varying speeds, maximum 50 km/h, average 19 km/h over a theoretical distance of 4 km. **Extra Urban** Conducted immediately after the urban cycle, it consists of half steady speed driving and half varying speed driving, maximum 120 km/h over a distance of 7 km. **Combined** This is an average of the two parts of the test, weighted by the distances covered in each part. **Note** All vehicles are 5-speed Durashift manual unless stated. All petrol engines are equipped with a catalytic converter. <sup>1)</sup> The fuel economy data published above relate to use of petrol 95 RON; use of alcohol fuel or a mixture of petrol and alcohol will lead to other fuel economy data.

## Model availability, weights and loads

	Kerbweight (kg) <sup>†</sup>	Gross Vehicle Mass (kg)	Max. Towable Mass (kg)	Payload (kg) <sup>Ⓢ</sup>
<b>Ford Galaxy</b>				
2.0 Duratec	1697	2415	1100	718
2.0 Duratec FFV	1697	2415	1100	718
2.3 Duratec, Durashift 6-speed automatic	1734	2465	1250	731
1.8 Duratorq TDCi (100 PS)	1793	2505	1400	712
1.8 Duratorq TDCi (125 PS)	1793	2505	1400	712
1.8 Duratorq TDCi (125 PS), Durashift 6-speed manual	1807	2505	1400	698
2.0 Duratorq TDCi (140 PS), Durashift 6-speed automatic	1835	2505	1750	670
2.0 Duratorq TDCi (140 PS), Durashift 6-speed manual	1806	2505	1750	699
2.2 Duratorq TDCi (175 PS), Durashift 6-speed manual	1840	2505	1800	665

<sup>†</sup>Represents the lightest kerbweight assuming the driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options fitted. <sup>Ⓢ</sup>Payload = Gross vehicle mass less kerbweight. **Note** All vehicles are 5-speed Durashift manual unless stated. All petrol engines are equipped with a catalytic converter. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 90 kg on all models. All figures quoted are final homologation figures only.

## Mechanical features

## Interior features

	Edge	Zetec	Ghia
<b>Comfort and convenience</b>			
Accessory socket/cigar lighter – Front	●	●	●
Air recirculation switch	●	●	●
Air conditioning – CFC-free	●		
Air conditioning – CFC-free with Dual-zone Electronic Automatic Temperature Control (DEATC)	○	●	●
Air conditioning – Rear compartment			●
Centre console – Includes stowage, two moulded cup holders, and 2nd row rear ashtray	●	●	●
Centre console – Overhead short console for sunglasses stowage	●	●	
Centre console – Overhead, full length, including child observation mirror (also available with panorama roof or electrically-operated opening rear quarter vents)		○/□	●
Clock – Digital (within audio unit display)	●	●	●
Cup holders – Two integrated into centre console, and one located in 3rd row sidewall trim	●	●	●
Grab handles – Front, 2nd and 3rd row folding with rear coat hooks	●	●	●
Mirror – Auto-dimming rear-view			●
Mirror – Located in front overhead centre console to watch children (also included when panorama roof or full-length overhead console ordered). In lieu of sunglasses stowage on Zetec.		□	●
Stowage – Located in rear quarter panels and rear quarter side trim panels	●	●	●
Stowage trays – Front driver's and passenger's underseat foot area (not available with navigation systems with external 6CD or MultiMedia DVD system). Included as part of Traveller Pack		□	●
Stowage trays – Rear 2nd row underseat foot area	●	●	●
Sunblinds – Integrated pull-up on 2nd row and 3rd row windows		○	○
Sunvisors – Driver's and passenger's with mirror and cover	●		
Sunvisors – Driver's and passenger's with illuminated mirror and cover		●	●
Windows – Front, electrically-operated with one-touch lowering/closing on driver's side and global opening/closing	●		
Windows – Front and rear, electrically-operated with one-touch lowering/closing, anti-trap feature and global opening/closing		●	●
Windows – Rear quarter vents, fixed	●	●	●
Windows – Rear quarter vents, electrically-operated opening (includes full length overhead console on Zetec)		○	○

## Interior features

	Edge	Zetec	Ghia
<b>Seat and seat belts</b>			
Front seat – Driver's manual height adjustment	●		
Front seat – Driver's power height adjustment with manual adjustable lumbar support		●	●
Seat Pack – Driver and passenger's 8-way power seat adjustment with manual lumbar support, electrically-operated/heated/folding door mirrors, memory function for driver's seat. Included as part of Ford Individual Interior Pack.		○	○/□
Front seats – Anti-submarining, fully reclining with height-adjustable head restraints	●	●	
Front seats – Anti-submarining, fully reclining with fully-adjustable head restraints (only available on Zetec if specified with leather trim)		□	●
Front seats – Comfort-style with inboard armrests	●	●	●
Front seats – Heated, with variable control	○	○	○
Front seats – Variable climate control			○
2nd row seats – Three individual fold-flat seats with height-adjustable head restraints	●	●	●
2nd row seats – Easy entry tip and slide system	●	●	●
3rd row seats – Two individual fold-flat seats with height-adjustable head restraints	●	●	●
Seats – Leather trimmed with contrast stitching on Ebony leather (includes velour front and rear door trim). Included as part of Ghia X Pack and Ghia X Plus Pack		○	○/□
Seats – Leather trimmed in beige or tan. Included as part of Ford Individual Interior Pack			□
Seat back trays – Folding		●	●
Stowage pockets – Front seat backs	●	●	●
Seat belts – Front, inertia reel, with grabbers, pre-tensioners and height-adjustable mounts. Rear, three inertia reel, lap and diagonal (2nd row), two inertia reel, lap and diagonal (3rd row)	●	●	●
<b>Carpet and trim</b>			
Door handles – Satin Chrome finish	●	●	●
Floor mats – Carpet slip mats, front and rear			●
Gear lever knob – Leather trimmed		●	●
Handbrake cover – Leather trimmed			●
Scuff plates – Front, bright-finish			●
<b>Instruments and controls</b>			
Headlight levelling control	●	●	●
Trip/fuel computer, incorporating exterior air temperature display and low temperature warning lights	●	●	●
Warning indicators for glow plugs on (diesel only), brake system, airbags, lights on, main beam, front and rear fog lights, handbrake, ESP, coolant temperature, driver's seat belt, ignition on, oil pressure, oil change, tyre pressure sensors (where specified), 'lights on', key in ignition, door ajar and front seat belt reminder warning alarms	●	●	●
Ford Convers+ premium instrument cluster with 256 colour display			○
Illuminated recirculation heater controls – 4-speed fan, with pollen filter, direction control, two dedicated side window demists and rear compartment ducts	●	●	●
Cruise control (includes leather-trimmed steering wheel on Edge)	○	○	●
Steering column – Reach and rake adjustable	●	●	●
Steering wheel – Leather-trimmed with contrast stitching on Ebony leather (only available on Edge if specified with Cruise control)	□	●	●
<b>Interior lighting</b>			
Courtesy light – Front overhead with theatre-style dimming and delayed switch-off	●	●	●
Courtesy lights – Front overhead with 2nd and 3rd row courtesy lights	●		
Courtesy lights – Front overhead with 2nd and 3rd row courtesy lights and 2nd row reading lights		●	
Courtesy lights – Front overhead with 2nd and 3rd row courtesy lights, 2nd and 3rd row reading lights, and front footwell light			●
Courtesy lights – Illuminated entry system (courtesy lights and door mirror puddle lights, if fitted, illuminate when vehicle unlocked)	●	●	●
<b>Luggage compartment</b>			
Courtesy lights – Two	●	●	●
Tie-down hooks	●	●	●
Load protection net	○	○	○
Dog guard. Available in two versions for fitment behind either the first or second row seats	○	○	○
Tonneau cover	○	○	○

● = Standard, ○ = Optional, at extra cost, □ = Included with another feature or part of an option pack, at extra cost.

## Specification

## Option packs

	Edge	Zetec	Ghia
Traveller Pack – Tonneau cover, sliding cross bars (supplied with the vehicle but not factory-fitted), load protection net, and front driver's and passenger's underseat stowage trays (Traveller pack is not available with navigation systems with an external 6 CD or Multimedia DVD - rear seat entertainment system)		○	○
Ghia X Pack – Fixed panorama roof, leather trimmed seats (includes velour front and rear door trim), and electrically-operated opening rear quarter vents			○
Ghia X Plus Pack – Fixed panorama roof, leather trimmed seats (includes velour front and rear door trim), 8x18" 5-spoke alloy wheels with 235/45 Rx18 tyres (not available with run-flat tyres), bi-xenons, and electrically-operated opening rear quarter vents			○
Ford Individual Interior Pack – Leather 'Individual' seat and door trim (Beige or Tan), Front Seats - Variable Heating, Seat Pack (Driver and passenger's 8-way power seat adjustment with manual support, electrically-operated/heated/folding door mirrors, memory function for driver's seat), front door scuff plates, front and rear mats and alloy pedals. Not available to order with climate seats, Ghia X Pack, or Ghia X Plus Pack			○

**Illustrations, descriptions and specifications.** This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

**Allergy-tested interior** All materials used in the manufacture of the interior of this vehicle meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.

Ford recommends BP.

Collect Nectar points at participating Ford Dealers now. So keep a look out for the latest Ford offers at [www.ford.co.uk/nectar](http://www.ford.co.uk/nectar) or call the Ford Information Service on 0845 7111 888. Calls are charged at national rate and may be recorded for training purposes.
