

FordKuga

Feel the difference

0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

You either have it, or you don't

A quality that's hard to define, but instantly recognisable.

It brings you together

Who can defy the laws of attraction?

Everything about you is a reflection of your inner values.

Power converter
Provides direct power for laptops and all your essential gadgets. (Option)

The new Ford Kuga is packed with smart technology. You'll find yourself smiling as it lets you do things faster, more effectively and with style.

That's clever

Ford Power
Power button replaces key. A standard feature on the Ford Kuga – just press and go.

Capless refuelling
No dirty fuel caps to touch. Plus a unique safeguard ensures nobody can accidentally fill up with the wrong fuel.

Mini tailgate
When you only have a small load to put in or get out, open the mini tailgate – it's quicker and more convenient.

Rear-view camera
Go into reverse and the rear-view camera comes on in the navigation display, allowing you to see objects behind your car for easy manoeuvring. Available with DVD Touchscreen Navigation System (Option)

CO₂ emissions from only 159 g/km
All the Kuga style with a lower emission diesel choice on 2-wheel drive models.

The Ford Kuga possesses the renowned driving quality you would expect from the latest generation of Ford cars. Its Control Blade independent rear suspension delivers an on-road experience that is second to none in its class. Its off-road capability is equally impressive. The intelligent all-wheel drive system adjusts automatically to give you optimum control in all conditions.

That Ford feeling

Intelligent all-wheel drive

Tested in the harsh conditions of a Swedish winter, the Ford Kuga's intelligent all-wheel drive system uses proven Haldex 3 technology to react instantly to a change in road conditions. Traction is maintained by automatically applying power to the wheels that need it most, ensuring you stay in control whatever the road throws at you.

Driver-focused

Carefully positioned controls feel like a natural extension of the driving experience.

DVD Touchscreen Navigation

Touch the colour screen for simple navigation or to control the audio and air conditioning. (Option)

The attention to detail which has been lavished on the Ford Kuga is immediately evident, from the exterior finish to the quality of the interior. Ford has engineered every single component for dependability, safety and strength with one objective clearly in mind; quality that's built to last.

Precision built with the future in mind

Brakes built to perform

The Ford Kuga's braking system is electronically tuned to meet the demands of on- and off-road driving conditions. Several technologies work in unison, such as ABS with Electronic Brake-force Distribution which balances the braking force across all wheels for safe, stable braking. And there's Emergency Brake Assist, which delivers extra brake power when you need it most.

Bi-Xenon Front Lighting System

With a special jewel-like design, these headlights not only make sure you're seen by other drivers but also illuminate any hazards more clearly than conventional headlights. (Option available as part of Titanium X Pack)

Safety features

Ford's Intelligent Protection System comes as standard on the Ford Kuga. It monitors the readiness of its comprehensive airbag systems as well as its Electronic Stability Programme, Traction Control System and Emergency Brake Assist.

The Ford Kuga Zetec brings you a blend of stunning design, outstanding driving quality and sheer capability unmatched in its class, plus a generous level of specification.

Features

- Intelligent All Wheel Drive on 4x4 versions
- 17" 5x2-spoke alloy wheels
- Keyless start with Ford Power button
- Manual Air Conditioning
- Quickclear heated windscreen
- Ford radio/CD with six speakers and remote audio controls
- Mini Tailgate
- Thatcham Category 1 Alarm
- Leather steering wheel
- Sports front seats
- Trip computer
- Power heated door mirrors with built-in indicator
- Front fog lights
- Portable audio device connector
- Front and rear electric windows
- Global opening and closing
- Remote control door entry
- Driver's seat lumbar adjust
- Driver's seat manual height adjust
- One-touch opening tonneau cover
- Front and rear curtain airbags

Power heated door mirrors
With an integrated side indicator and puddle light. (Standard)

Ford Power button
No key required. Just press and drive. (Standard)

Manual air conditioning
Easy controls for fast cooling. (Standard)

MP3 connection
Play music directly from your MP3 player through the Ford Kuga's stereo. (Standard)

Get yourself behind the wheel of the Ford Kuga Titanium and you're surrounded by contemporary luxury and technical innovation.

Additional to Zetec

- Partial leather trim
- Dual Electronic Automatic Temperature Control (DEATC)
- Sony DAB Audio System
- Cruise control
- Blue-tinted glass
- Leather gear knob
- Automatic rain-sensing wipers
- Automatic headlights
- Auto-dimming rear-view mirror
- Rear seat folding centre armrest
- Footwell lights
- Passenger seat lumbar adjust
- Passenger seat manual height adjust
- Front carpet mats

Blue-tinted glass
Exclusive to the Ford Kuga Titanium. (Standard)

Cruise control
With fingertip controls. (Standard)

Rain-sensing wipers
Come on automatically when the system senses rain. (Standard)

17" alloy wheels
(Standard)

Leather gear knob
A touch of luxury every time you change gear. (Standard)

Auto-dimming rear-view mirror
A sensor detects harsh lights behind you and dims the mirror. (Standard)

Ebony Capretto premium leather

A warm and seductive leather seat trim with coordinating leather door panel inserts, Piano Dark Grey centre console and door handle trim.

Ford Kuga Individual option packs are linked by their relentless attention to luxurious detail. Indulge your sense of style with premium quality leather trim and door inserts, plus extra touches that include 19" Ford 5-spoke Silver alloy wheels, chrome roof rails, privacy glass and more.

Individual

Embossed leather

The Individual logo is elegantly embossed on both front seats, marking your Kuga out as something extra special.

Protective floor mats

Refined yet tough, the floor mats are imprinted with the Individual logo and edged in white piping.

Pedal set with aluminium covers

Smart touches include the pedal set with aluminium covers and non-slip surfaces that emphasise the car's dynamic character (for manual transmission only).

Scuff plates with 'Individual' script

Polished stainless steel scuff plates, with engraved 'Individual' script, look beautiful and help to protect the paintwork.

Wheel design

We've reinvented the wheel (almost). New designs have been specially developed to enhance the powerful design of the Ford Kuga.

Wheel designs with the beauty and symmetry of snow crystals to complement your Ford Kuga.

Wheels

Scuff plate

Emblazoned with the 'KUGA' logo, these stainless steel scuff plates welcome and protect, set for front. (Accessory)

Steel – 16", 7-spoke wheel covers, 235/60 tyres. (Not available in the UK)

Steel – 17", 6-spoke wheel covers, 235/55 tyres. (Not available in the UK)

Alloy wheel – 7.5x17", 5x2-spoke U-design, 235/55 tyres. (Standard on Zetec)

Alloy wheel – 7.5x17", 5x2-spoke, 235/55 tyres. (Standard on Titanium)

Alloy wheel – 7.5x18", 5-spoke, 235/50 tyres. (Option and dealer fit accessory)

Alloy wheel – 8.0x19", 5-spoke, 235/45 tyres. (Option on Titanium and dealer fit accessory)

Sony DAB audio systems

Sony DAB audio systems provide improved reception and sound quality, simple easy-to-use tuning and access to an extensive range of radio stations. (See specifications table for availability)

Keyless Entry

Lock and unlock your Ford Kuga without a conventional key (Option available as part of the Titanium Convenience pack)

Your favourite music can make a journey. The Ford Kuga offers you a wide choice of sound systems, some with built-in navigation.

Technology

Mobile navigation

Turn your Bluetooth®-enabled mobile 'smart' phone into a navigation unit. Simply insert the navigation chip, enter your journey details and the phone will transmit route guidance via the car's audio system and cluster display. (Option. Please see your Ford Dealer for phone compatibility)

Satellite navigation

Leave your maps behind with a simple and intuitive portable Garmin GPS navigation system. Please contact your Ford Dealer for details. (Accessory)

Becker Traffic Pro
Superior sound and navigation for most European countries. Features TMC traffic announcements. Plays MP3. (Accessory)

Communications Pack
Advanced Navigation system with Bluetooth & USB connectivity port. SDCard based navigation, with 5" colour display, Radio/CD player. (Option, please refer to specification pages for availability)

DVD Touchscreen navigation system
DVD based navigation system incorporating 7" colour touchscreen which operates CD/Radio audio system, climate control and navigation. (Option, please refer to specification pages for availability)

Thule 'Expedition' carrier basket

A versatile basket platform for a variety of loads. Made of lightweight, robust aluminium. (Accessory)

The Ford Kuga's generous storage capacity can be expanded with a range of transport accessories.

Transportation

Britax Römer child seat
Various seats available for all ages – also available with ISOFIX. Removable and washable cover. (Accessory)

Mont Blanc 'Barracuda' bike carrier
Specially designed to carry modern bikes with frames up to 80 mm in diameter. Also features integral locks to keep bikes safe and secure. (Accessory)

Thule ski and snowboard carrier
Lockable carrier used for your precious ski gear. (Accessory)

Aluminium roof rails
Enhance versatility and styling. (Option and accessory)

Thule roof box 'Pacific'
Available in various sizes. (Accessory)

Premium bumper protector
Stainless steel appearance protects the bumper from luggage scuffs. Transparent protection foil also available. (Accessory)

Waeco coolbox
High-performance 35-litre capacity box cools down to a minimum of 1°C. Integrated 230V AC connector. (Accessory)

Detachable tow bar
Also available as fixed version. (Option and accessory)

Loadspace liner
Extra solid liner with 100 mm lip height, ideal for transporting wet or dirty items. (Accessory)

Thule sailboard carrier
Developed and tested by surfers for surfers. Holds one board and two masts. (Accessory)

Thule 'Ranger 90' foldable roof box
A waterproof soft box that is easy to mount, load and unload. Folds down compactly when not in use. (Accessory)

Lockable crossbars
Made of solid aluminium, these bars are the base for all attachments such as roof boxes, bike carriers, ski racks, etc. (Accessory)

Panoramic roof

Brings more light and a feeling of extra space to the interior. Includes two sunblinds and infrared reflective coating. (Option as part of Titanium X Pack)

Add that final touch of luxury, comfort and convenience from a selection of premium designed features.

Personalisation

Power-fold door mirrors

Door mirrors can retract out of harm's way when parked. Also useful when squeezing through tight spaces. Includes built-in puddle lights. (Option as part of Convenience Packs)

Bluetooth® voice control and USB connector for MP3

Connects to the centre console and offers USB port, auxiliary jack and MP3 connection plus Bluetooth® voice control. When not in use, it can be hidden away in the stowage box. (Option)

Parking distance sensors

Audible warning helps you judge distance between your car and an obstacle. (Option, also available as part of Convenience Packs)

Premium velour mats

Perfectly complements your chosen interior, with nubuck surround and aluminium-effect 'KUGA' logo. Driver's mat is fixed to prevent slippage. (Accessory)

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Making a difference

On Ford Mondeo, Ford S-MAX and Ford Galaxy, our optional Flexifuel engine, fuelled by E85, is achieving emission reductions of around 30% to 80%** compared to conventional petrol engines. E85 is a mixture of 85% plant-derived ethanol and 15% petrol, but these models can run on any mixture of the two – even 100% petrol.

New low emission diesel ECONetic derivatives are now available. Ford Fiesta ECONetic delivers more than 76.3 mpg, emitting just 98 g/km of CO₂. Ford Focus ECONetic delivers more than 65mpg, emitting just 114 g/km of CO₂ and Ford Mondeo ECONetic delivers more than 54 mpg, emitting 139 g/km of CO₂.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

*For more about this topic, see www.ford.com/go/sustainability

**Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.) Ford supports the sustainable production of biofuels.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide? **Ford Options** offers increased flexibility if you want to change your car more often; **Ford Acquire** is ideal for private and business users who want a more straightforward financing plan; **Ford Business Partner Contract Hire*** provides an affordable, convenient and flexible way to finance your business vehicle; and **Ford Insure**** is our comprehensive motor insurance product, designed specifically for Ford drivers.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

*Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathside Park, Heathside Park Road, Stockport SK3 0RB.

**Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls will be recorded and may be monitored.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

Ford Customer Relationship Centre

Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Allergy-tested interior All the materials used in the manufacture of the interior of the vehicles meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outside air. At higher temperatures, the additional use of air conditioning is recommended.

Collect Nectar points at participating Ford Dealers now. So keep a look out for the latest Ford offers at www.ford.co.uk/nectar or call the Ford Information Service on 0845 7111 888. Calls are charged at national rate and may be recorded for training purposes.
